

Digital Past 2010

New technologies in heritage, interpretation & outreach

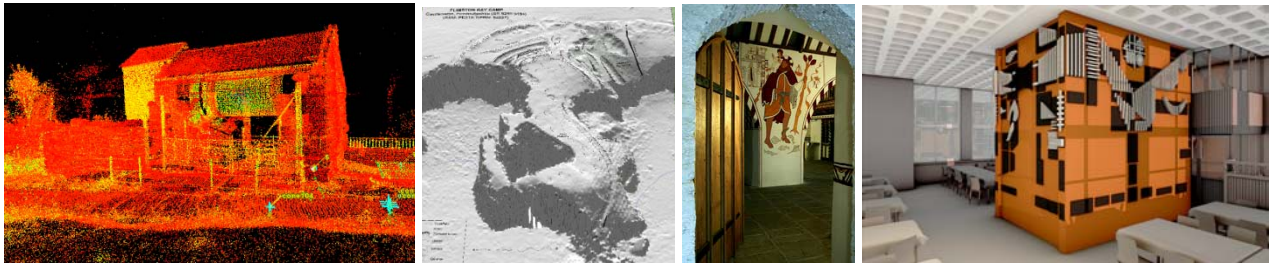

16th – 17th February 2010

St Fagans: National History Museum, Cardiff

Building on the success of the first Digital Past conference in Aberystwyth, Digital Past 2010 offers two days of events held within and around the historic properties of St Fagans. Conference papers, seminars and practical training sessions will be combined to cover the latest technical survey and interpretation techniques and their practical application in heritage interpretation and education. Further details to be announced November 2009.
